

Department of Computer Science and Engineering First Round PhD Admission Interviews for 2018 Intakes

The Department of Computer Science and Engineering at The Chinese University of Hong Kong will conduct the first round of PhD admission interviews for the 2018 Intakes:

Guangzhou	June 22 - 23, 2017
Hong Kong	June 26, 2017 (tentative)

The Department of Computer Science and Engineering at The Chinese University of Hong Kong (<http://www.cse.cuhk.edu.hk>) was the first Computer Science department in Hong Kong and is well-known internationally for her high-quality research and teaching. Graduates have distinguished themselves in professional and academic positions in prestigious institutions and laboratories worldwide. Some highlighted achievements of the students and staff members can be found at the following webpage: <http://www.cse.cuhk.edu.hk/v7/en/about/research.html>

Our major research areas include:

- Artificial Intelligence, Computational Finance, Data Mining, Machine Learning
- Big Data Analytics
- Cloud Computing and Network
- Database and Multimedia Systems
- Computer Vision, Graphics, Virtual Reality, Visualization, Human Computer Interaction
- Distributed Systems, Operating Systems, Storage Systems
- Bioinformatics
- Computer and Network Security
- Embedded Systems
- VLSI and Digital Systems Design Automation
- Software Engineering
- Theoretical Computer Science
- Data Science

If you are interested in applying, please submit your resume with class ranking and school transcript to pgenquiry@cse.cuhk.edu.hk **no later than June 5, 2017 9:00am**. Shortlisted applicants will be informed of the interview arrangement by mid-June 2017.

All admitted students will receive a stipend of around HK\$16,270/month. Exceptional PhD applicants will be recommended to apply for the Hong Kong PhD Fellowship Scheme, and successful applicants will receive a stipend of HK\$20,000/month and a research and travel grant of HK\$10,000/year.

We are also holding a Summer Workshop (<https://info5.erg.cuhk.edu.hk/phdsw/2017>) with other engineering departments in July. You are welcome to apply for both the interview in June and the workshop in July, but you are not required to interview again in the workshop if you have already been invited for the interview in June.
