Department of Computer Science and Engineering
First Round PhD Admission Interviews for 2022 Intakes

The Department of Computer Science and Engineering at The Chinese University of Hong Kong will conduct the first round of PhD admission interviews for the 2022 Intakes:

| Online interview | 21 May, 2021 |

Students who will graduate by summer 2022 with good academic performance OR have at least one good quality publication are also encouraged to apply!

The Department of Computer Science and Engineering (CSE) at The Chinese University of Hong Kong (http://www.cse.cuhk.edu.hk) was the first Computer Science department in Hong Kong and is internationally renowned for her high-quality research and teaching. Graduates have distinguished themselves in professional and academic positions in prestigious institutions and laboratories worldwide. Some highlighted achievements of the researchers and staff members can be found at the following webpage: https://www.cse.cuhk.edu.hk/category/news/achievements.

Our major research areas include:
- Artificial Intelligence, Computational Finance, Data Mining, Machine Learning
- Big Data Analytics
- Bioinformatics
- Cloud Computing and Network
- Computer and Network Security
- Computer Vision, Graphics, Virtual Reality, Visualization, Human Computer Interaction
- Data Science
- Database and Multimedia Systems
- Distributed Systems, Operating Systems, Storage Systems
- Embedded Systems
- Software Engineering
- Theoretical Computer Science
- VLSI and Digital Systems Design Automation

If you are interested, please fill in the online application form at https://dept-eappsrv.cse.cuhk.edu.hk/pgas2022/no later than 30 Apr, 2021 5:00pm. Shortlisted applicants will be informed of the interview arrangements by early of May 2021.

The standard PhD stipend is approximately HK$18,025/month. Exceptional PhD applicants will be recommended to apply for the Hong Kong PhD Fellowship; and successful applicants will receive a stipend of HK$26,600/month and a research and travel grant of HK$13,300/year, in addition to other benefits. Further details can be found at https://www.gs.cuhk.edu.hk/admissions/scholarships-fees/hkpfs.

We will also organize a HKPFS Summer Workshop (http://hkpfs.erg.cuhk.edu.hk/) with other engineering departments in July. Although you are welcome to apply for both our first-round admission interview and the workshop, you can be interviewed by CSE only once. In the case that you receive an offer from CSE in the first-round admission interview, your workshop application will be given a lower priority as we would like to allocate our limited resources to other applicants.

For enquiries, please send emails to pgenquiry@cse.cuhk.edu.hk.
